RTK officer,

There seems to be a great deal of confusion regarding the bills generated by the Township Solicitor's Office. At the most recent Board of Supervisors meeting, the Board and Township Treasurer were not able to provide an adequate explanation as to why the treasurers report and Check register reports appeared to not reconcile. There also appeared to be a great deal of confusion as to what the conditional use legal cost was to the Township and how it contributes to the overall total. It also appears that legal costs are intermixed with those of "developers". In order to get some concrete answers to some of these questions, I am forced to request the following,

1. I would like copies of any and/or all invoices/time slips submitted and/ or generated by Wisler Pearlstine (the Township Solicitor's Firm) that correspond to the monthly check register reports provided to the public at the Board of Supervisors Meetings, monthly, beginning with the time period 10/17/13- 11/20/13, for each month, until present (3/20/14 – 4/16/14)which have been voted on and approved at the public meetings as part of the Townships monthly expense as "Payment of the Bills."

Thank You
If these are available in electronic format this would be preferable
If not I would like this material scanned and sent electronically
