INFORMATIONAL ITEMS

PUBLIC COMMENT

- A five-minute limit per person.

PRESENTATIONS

- a) Township Engineer – Joe Nolan, P.E.

Mr. Nolan provided a presentation summarizing the Township’s Municipal Separate Storm Sewer Systems (MS4), and our current permit requirements. The presentation has been uploaded to the Township website here:

Chair DeLello asked Mr. Nolan to summarize how the MS4 measures are controlled through routine actions by Township staff. Mr. Nolan summarized numerous efforts that include inspection of ongoing development, as well as routine maintenance of township infrastructure completed by the Township Public Works Department.

Vice Chair Betz asked Mr. Nolan how the MS4 system plays a role in the agreement the Township has entered into with out Watershed partners. Mr. Nolan responded summarizing that agreement and the various reduction measures it seeks to reduce.
