Public Notification

Worcester Township is seeking input from the Public regarding the filing of a Sewage Facilities Planning Module. The Planning Module covers a property known as Meadow Lane. located off of Skippack Pike and Hollow Road in Worcester Township. The project calls for the construction of eleven (11) new single family homes, as well as the ability to provide public sewer to three (3) units containing existing structures at the corner of Hollow Road and Skippack Pike. The proposal for public sewer is not consistent with the current Montgomery County Planning Commission's Comprehensive Plan for this area. Further, the Pennsylvania Historical Museum Commission indicates that high probability exists that archeological resources may be within the project limits. The current proposal is to provide sewer through a low-pressure grinder pump system. Public water will be available. Plans, specifications, and the Planning Module package can be viewed at the Worcester Township Municipal Building. Any individual having input on this topic should do so in writing and forward the same to Eunice Kriebel at the Worcester Township Municipal Building 1721 Valley Forge Road, Worcester, PA 19490, within thirty (30) days of this advertisement.

Affiant further deposes that she is an officer Duly authorized by THE TIMES HERALD PUBLISHING COMPANY, INC. a corporation, Publisher of THE TIMES HERALD, a newspaper Of general circulation, to verify the foregoing Statement under oath, and affiant is not interested In the subject matter of the aforesaid notice of Advertisement, and that all allegations in the Foregoing statements as to time, place and Character of publication are true.
