

How-to for Home Gardeners

Get ready for this upcoming outdoor gardening season! We are pleased to offer a Spring-time series of practical garden talks, "How-to for Home Gardeners", on popular topics to help you with your gardening. Thom Mrazik, a Worcester resident and Penn State Extension Master Gardener, will be giving these presentations.

March 18 from 6-7pm

Proper Care, Healthy Trees

Healthy trees are a focal point of enjoyable gardens, providing beauty and support for wildlife. Learn valuable tips about properly planting and mulching young trees, as well as basic pruning steps to help maintain their health and beauty.

April 22 from 6-7pm

Healthy Soil, Healthy Plants

Healthy soil is one of the most important factors for ensuring healthy growth of flowering plants and vegetables. Learn ways to improve and maintain healthy outdoor garden soil, including how to use a soil test.

June 3 from 6-7pm

How to Make Your Beautiful Garden Pollinator-Friendly

Providing plants with nutritious nectar and pollen and having a safe garden habitat is key to helping pollinators thrive. Learn important ways you can enhance your home garden to support summer-time pollinators and enjoy their beauty.

All talks are free and held at Worcester Community Hall (1031 Valley Forge Road).

Preregistration is required! Please fill out a recreation activity form located at worcestertwp.com/departments/parks-and-recreation and return it to the township building.
