Below please find a brief update on the Army Reserve Base:

- The Township's environmental consultant has provided the contact information for four firms that test private well water, if a property owner wishes to contract for this service...

Analytical Labs, Inc.

Certified Water Services

- The Pennsylvania Department of Environmental Protection (DEP) has asked the US Army to conduct additional tests, and to submit a plan of action to DEP, by October 7. DEP's letter to the US Army is posted to the Township website, [worcestertwp.com](http://worcestertwp.com). The Township will post additional information to the website as information becomes available.

As always, please contact me at the Township Building at the below telephone number, by cell at (484) 885-8775, or by e-mail at [tryan@worcestertwp.com](mailto:tryan@worcestertwp.com) should you have any questions, require additional information or if I can be of further assistance.

Thank you.
