

We understand that many people like to bring flowers and other items as additional memorials at their benches or trees. We ask that you kindly refrain from doing so, as these items can blow away and create unsightly litter in our parks.

Bench style, tree species, and suppliers are chosen by the township. Plaques are ordered by the Township. Damaged or weathered plaques may be replaced at the donor's discretion and expense, with written permission from a Township Official. Minor bench repairs (i.e. tightening screws and replacing a damaged board) and tree maintenance (minor pruning) will be done by the Township. Worcester Township accepts no liability for a damaged or destroyed bench or tree. The township may, at its discretion, replace a damaged or destroyed bench or tree but has no obligation to do so. Likewise, the Township may remove a damaged bench or tree if the Township, in its sole discretion, determines that it is beyond repair or its useful life has expired.

MEMORIAL BENCH & TREE PROGRAM

Dedicating a memorial bench or tree to someone special is a wonderful and lasting way to honor them. It also serves to support the ongoing efforts to beautify the township's park system. Enhancing our recreational assets benefits all who use them, now and in the future.

Worcester Township Memorial Bench & Tree Program

Your contribution will provide a long lasting park bench or a tree both with a plaque to identify your memorial.

The Parks and Recreation Dept. will provide a selection of bench placement locations or tree species and planting locations from which you may choose.

Location options:

Heebner Park
(limited availability)

Sunny Brook Park
Mount Kirk Park
Heyser Field
Zacharias Trail

Benches, trees, and memorial plaques will be installed, weather permitting, throughout the year.
