We are interested in any information that may be on file from the following departments that can help us to determine past use, ownership, and environmental issues.

- 1) Tax clerk – summary page (which may include the tax parcel number, last sale date, current deed reference, property class, etc.) / lien information.
- 2) Planning Board – correspondences, plans, violations, etc.
- 3) Zoning Officer/Land Use – correspondences, plans, violations, permits, etc.

I plan to visit the municipal office to review any information that may be on file, get a copy of a tax map for the site, etc. Please call me when I would be able to review any information that would be on file from the various departments.

Thank you,
Margaret Gould
