Re: Right To Know Request Form

Attached is a completed Worcester Township "Right-To-Know" request form. Specifically, the MHS Girls Soccer Ass'n would like all information related to the lawsuit brought against the Township which challenged MHS's right to have exterior lighting. I believe the lawsuit originated over the illumination of the sign at the front entrance of the High School. However, it has larger implications in regard to the school district's ability to light the parking lot areas (which are dangerous when evening school events let out due to the lack of decent lighting) and the future ability of the High School to install a lighted turf field similar to other surrounding school districts.

I am interested in obtaining copies of the above information, but please call me beforehand to advise as to the amount of any charges involved.

If you have any questions, or need additional information, please contact me at
