Ms. Loomis,

As you recommended, I am emailing you questions about a parcel we are interested in purchasing in Worcester Township. The tax map number is 67-17-6, parcel number is 67-00-00661-001. The property has frontage along Township Line Road as well as along North Trooper Road.

I understand the property received approval to proceed with an application as a clustered subdivision. Also, certain SALDO approvals and several permits were granted in the past to develop the site with 25 lots.

I would like to understand the current status of the approvals and permits and schedule a time to review the Township files for this community. I respectfully request to see copies of plans, studies, reports, comment letters and responses.

I have attached a Standard Right-to-know Request Form and included Ms. Lucey on this e-mail to receive my request.

Thank you for your time and assistance. I look forward to hearing from you shortly.

Sincerely,

Director of Land Planning – North Division
