Attachments: request for file review Worcester township.pdf

Hello,

Please see the attached right to know request form. I am requesting any environmental information for files relating to environmental conditions at the listed property for the purposes of conducting a Phase I Environmental Site Assessment. These files would contain information about current or past soil/groundwater sampling, records indicating occurrences of environmental releases and/or incidents, including recorded spills or emission discharges, or other conditions that may have posed an environmental concern at the subject Property.

Particularly I am interested in records from the Police department, Fire department and the zoning/inspections department as well.

If I have misdirected this request, please let me know. Thanks in advance for your help.
