I'm hoping you can help me with finding a as build plot plan for the property 1102 KRIEBEL MILL ROAD. The property is for sale and I'm getting ready to make an offer but wanted to first get a lot plan that shows the topography, septic, propane tank and well locations. The main reason for having this information is that we would like to put a pool on the property and would need this information along with knowing the restrictions of where it could actually be constructed on the property.
