Right to Know Request

Worcester Township

Montgomery County, Pennsylvania

RECEIVED

MAR 02 2015

To Whom This Concerns,

I would like to request an accounting of all right to know (RTK) requests submitted by Dr. James Mollick (Mollick) since 2008. Please list each request made, the date of the request and whether he picked up the request. Please also note all payments made by Mollick for costs incurred by the township. Also please list all legal costs incurred by the township in responding to these requests, by specific request. Differentiate between legal review and privacy protected redaction provided by council versus legal action to prevent disclosing the requested information. Note the outcomes of these disputes.

I would also like to request an accounting of all expenses incurred by the township (legal counsel, expert witnesses, court reporter, township engineer, and other township staff) regarding the Conditional Use Application for Athletic Field Lights at Methacton High School. Please also document the number of hearings necessitated to hear testimony by MSD experts and the number of hearings necessitated by the neighbor's group to hear testimony provided by their experts.

Thank you, Dr. Winifred S. Hayes,
