RECORD REVIEW REQUESTED; OF NJDEP, #401 E. STATE ST. TRENTON, N.J.

We are completing a Phase I Environmental Site Assessment of Center Point Shopping Center, #2960 Skippack Pike (intersection of Rte. #73 @ Valley Forge Road, and the Worcester Trade Center, 1741 Valley Forge Road, (Route #363,) which is just south of that intersection and adjacent to the Fire House and Park.

As a component of a Phase I and Property Condition Assessment, is there any record at Township of outstanding non-corrected code, fire, or life safety violations?

As well, is there any record of fire department environmentally related responses or corrective requirements at those two properties over the last 10 years?

Thank you kindly,

Paul Doering, RA, NCARB.
