RTK Officer,

The following is a request for records made pursuant to the Right to Know Law ("RTKL"). Please be advised, the term "record" and "records" as used is defined under the Right to Know Law ("RTKL") as "Information, regardless of physical form or characteristics, that documents a transaction or activity of an agency and that is created, received or retained pursuant to law or in connection with a transaction, business or activity of the agency. The term includes a document, paper, letter, map, book, tape, photograph, film or sound recording, information stored or maintained electronically and a data-processed or image-processed document."

1. Certified copies of the Township's response to RTK Request 15-1417 and all of the records that were provided with that response.
2. ✓ Copies of the Audio Recordings of the following Township Meetings, 8/3/15, 8/19/15, 9/1/15, 9/16/15, 10/5/15, 10/13/15, 10/21/15, 11/2/15 and 11/18/15 that are not duplicative.
3. A copy of any and/or all Township Insurance policy's that are currently in effect and being applied to the Sunshine litigation along with any contact information that is available with those policies.

I would also like to alert you to the following to save the taxpayers of the Township unnecessary expense. Under the Right to Know law, your job as to how to respond to requestors as a Right to Know Officer is specified under Sections 902 and 903 and is very specific. I would suggest that you review Section 902 and 903 of the RTK Law regarding your procedure for responding to requestors, prior to writing and signing your responses.

Section 902. Extension of time.

(a) Determination.—Upon receipt of a written request for access, the open-records officer for an agency ***shall determine*** if one of the following applies:

- (1) the request for access requires redaction of a record in accordance with section 706;
- (2) the request for access requires the retrieval of a record stored in a remote location;
- (3) a timely response to the request for access cannot be accomplished due to bona fide and specified staffing limitations;
- (4) a legal review is necessary to determine whether the record is a record subject to access under this act;
- (5) the requester has not complied with the agency's policies regarding access to records;
- (6) the requester refuses to pay applicable fees authorized by this act; or
- (7) the extent or nature of the request precludes a response within the required time period.

(b) Notice.—

(1) Upon a determination that one of the factors listed in subsection (a) applies, the open-records officer shall send written notice to the requester within five business days of receipt of the request for access under subsection (a).

(2) The notice shall include a statement notifying the requester that the request for access is being reviewed, the reason for the review, a reasonable date that a response is expected to be provided and an estimate of applicable fees owed when the record becomes available. If the date that a response is expected to be provided is in excess of 30 days, following the five business days allowed for in section 901, the request for access shall be deemed denied unless the requester has agreed in writing to an extension to the date specified in the notice.

(3) If the requester agrees to the extension, the request shall be deemed denied on the day following the date specified in the notice if the agency has not provided a response by that date.

Section 903. Denial.

If an agency's response is a denial of a written request for access, whether in whole or in part, the denial shall be issued in writing and ***shall include***:

- (1) A description of the record requested.
- (2) The specific reasons for the denial, including a citation of supporting legal authority.
- (3) The typed or printed name, title, business address, business telephone number and signature of the open-records officer on whose authority the denial is issued.
- (4) Date of the response.
- (5) The procedure to appeal the denial of access under this act.
