**Re: FOIL Request for Access to Records  
Partner Project No. 16-159587.1**

To Whom It May Concern:

Partner Assessment Corporation, Inc. (Partner) is conducting a Phase I Environmental Site Assessment (ESA) for the property located at:

**3008 W. Germantown Pike  
Norristown, Pennsylvania, 19403**

This letter constitutes a request for a file search for a property card as well as environmental records regarding such environmental concerns as underground storage tanks, above-ground storage tanks, remediation, dump sites, hazardous material activities, ground-water monitoring wells, lead-based paint, asbestos incidents, fires, and spills that pertain to the aforementioned site.

At your earliest convenience, please notify Partner if such records exist. Your responses can be forwarded to me via fax or email. Thank you for your time and assistance, and if you have any questions regarding this request, please contact me by phone or via email.

Sincerely,

***Bernard Vignali***
