Right to Know Officer,

The following is a request for records made pursuant to the Right to Know Law ("RTKL"). Please be advised, the term "record" and "records" as used is defined under the Right to Know Law ("RTKL") as "Information, regardless of physical form or characteristics, that documents a transaction or activity of an agency and that is created, received or retained pursuant to law or in connection with a transaction, business or activity of the agency. The term includes a document, paper, letter, map, book, tape, photograph, film or sound recording, information stored or maintained electronically and a data-processed or image-processed document."

In light of the foregoing, copies of the following records are requested,

1. Copies of any and/or all detailed billing invoices for legal services submitted by the Township Solicitor and/or his law firm to Worcester Township for the entire months of April, May and June of 2016. This would also include any invoices submitted by Wisler Pearlstine as well. These would also correlate with the monthly payment of the bills check registers as a result of the timing of their submission.

I would like these in pdf format if possible and transmitted electronically.

Thanks

Jim Mollick
