Right to Know Officer,

The following is a request for records made pursuant to the Right to Know Law ("RTKL"). Please be advised, the term "record" and "records" as used is defined under the Right to Know Law ("RTKL") as "Information, regardless of physical form or characteristics, that documents a transaction or activity of an agency and that is created, received or retained pursuant to law or in connection with a transaction, business or activity of the agency. The term includes a document, paper, letter, map, book, tape, photograph, film or sound recording, information stored or maintained electronically and a data-processed or image-processed document."

In light of the foregoing, the following records are requested,

1. Copies of the 2 proposals obtained for taking the Nike site through Act 2 which cover a similar scope of work:
(1) performing a risk assessment using the existing sampling data for the site, and preparing and submitting the necessary reports to the Pa DEP to obtain cleanup liability protection under Act 2, referenced in the April 15, 2016 email from Mathew Sullivan to Tommy Ryan.

I would like this information in electronic format and/or as a PDF file.

Thanks

Jim Mollick
