RECORDS REQUESTED:

Please provide a monthly summary of residential building permits for all new construction houses, renovations or additions issued in **December 2016**.

If the municipality does not keep a monthly summary I would like a copy of all residential new construction, renovations or additions permitted.

Copies can be faxed or emailed using the information above.

I can also pick up the information in person if that is preferred.

I realize there may be charges associated with providing this information. Please call me if there are any questions.

I respect your time and appreciate your help.

Please let me know if you have any suggestions that will help the municipality process this request more efficiently.
