Dear Right To Know Officer:

This is a request under the Pennsylvania Right to Know Law (65 P.S. §67.101). I am requesting any and all construction and building permits associated with 2023 Bethel Road, Worcester, PA. This shall include construction and demolition permits, site or plot plans, and any architectural or engineering plans associated /submitted with the property as well as any zoning variances. This request is valid considering the serious flooding issues on neighboring properties allegedly associated with 2023 Bethel road. I am making this request as a journalist.

Please let me know if there is any additional information required.

Thank You,
