  - (7) The assignment by a Participant of any right or interest in the Trust Coverage Document without first obtaining the approval of the Board of Trustees as required by the Trust Coverage Document; and

The Participant whose expulsion is sought shall have a full and fair opportunity to appear before the Board and present any evidence on its behalf before the Board renders its decision in accordance with procedures adopted by the Executive Committee. All decisions by the Board of Trustees regarding the expulsion of a Participant shall be final, with no right for a further appeal or arbitration of that decision. The Participant, upon notification of expulsion by the Trustees, understands coverage will terminate and the Participant will be responsible to secure adequate provision for any and all coverages either by insurance or self-insurance so that such coverage is in effect on the effective date of the Participant's expulsion. - (1) An opinion is rendered by the Trust's certified Actuary that such withdrawal will result in the number of Participants falling below the minimum required to assure the fiscal and actuarial soundness of the Trust itself;
- (2) That the withdrawing Participant is then in default of its obligation to pay premiums, contributions or assessments; and
- (3) The Board of Trustees shall have received a certification from the Trust actuary that the withdrawal will reduce the actuarial soundness of the Trust, and if any debt has been incurred by the Participants to finance any portion of the Trust reserves, an opinion is obtained from bond counsel that such withdrawal will adversely affect the tax exempt status of any interest paid on any debt incurred by the Participants, or any legal entity created for the purpose of incurring such debt. As used herein, the term "debt" includes any bonds, certificates, letters of credit or other instruments of municipal indebtedness.

Any Participant who withdraws from the Trust shall forfeit any and all of its rights to any dividends and Rate Stabilization Fund monies to which it may otherwise be entitled during the last year of the Participant's membership in the Trust and all times thereafter. Upon the effective date of withdrawal, or any time thereafter, a Participant may be required to pay assessments as required by the Board of Trustees in accordance with this Agreement and the By-Laws based upon any deficits which were caused by any claims paid while that Participant was provided coverage under the Trust Coverage Document. If there is a dispute over the withdrawal of a Participant, that Participant will have a full and fair opportunity to present any relevant evidence or information to the Board of Trustees who shall decide the dispute by majority vote. The Trustees shall adopt By-Laws for the management and control of the Trust, so long as such By-Laws are not inconsistent or in conflict with the terms and provisions of this Agreement. Said By-Laws may be amended by the Trustees as they shall provide

(b) Every act done, power exercised or obligation assumed by the Trustees, pursuant to the provisions of this Agreement, or in carrying out the trusts herein contained, shall be held to be done, exercised or assumed by them as Trustees and not as individuals, and any person or corporation contracting with the Trustees, shall look only to the Trust and property of the Trust available for payment under such contract, or for the payment of any debt,

(a) The Trust shall indemnify and defend: (i) each member of the Board of Trustees and the estate, executor, administrator, personal representatives, heirs, legatees and devisees of any such person; and (ii) every officer and employee of the Trust and the estate, executor, administrator, personal representatives, heirs, legatees or devisees of such person; against all claims, suits or judgments including interest, fines, amounts paid or agreed upon in settlement, reasonable costs and expenses including attorneys, fees and any other liability that may be incurred as a result of any claim, action, suit or proceeding, whether civil, criminal, administrative, or other, prosecuted or threatened to be prosecuted, for or on account of any act performed or omitted or obligation entered into, if done or omitted in good faith without intent to defraud and within what he reasonably believed to be the scope of his employment or authority and for a purpose which he reasonably believed to be in the best interest of and in connection with the administration, management, conduct or affairs of the Trust, and with respect to any criminal actions or proceedings, in addition, had no reasonable cause to believe that his or its conduct was unlawful. Provided, however, that if any such claim, action, suit, or proceeding is compromised or settled, it must be done with the prior and express approval of the Board of Trustees or such other persons as may be authorized to make determinations with respect to indemnification pursuant to subparagraph (d) of this Section.

(b) Such indemnification and defense shall not depend upon whether or not such person is a member of the Board of Trustees at the time such claim, action, suitor proceeding is begun, prosecuted or threatened.

(c) The right of indemnification and defense hereunder shall not be exclusive of other rights such person or Board may have as a matter of law or otherwise.

(d) In each instance in which a question of defense and/or indemnification hereunder arises, determination to indemnification hereunder, and the time, manner and amount of payment thereof, shall be made by a majority vote of a quorum of the Board of Trustees provided, however, that no member of the Board of Trustees seeking indemnification hereunder as a result of the same occurrence shall participate in the determination. In the event that a majority of the members of the Board of Trustees are seeking indemnification hereunder as a result of the same occurrence or the number of Board of Trustees members eligible to vote does not constitute a quorum, such determination in the first instance shall be made by independent legal counsel retained by the Trust for the purpose of making the determination. Nothing in this paragraph is intended to make an adverse determination finally binding upon the person seeking indemnity under this Section, or to preclude any such person from appealing an adverse determination against him or it, or from instituting legal proceedings to enforce a right of indemnification under this Section.

(e) The indemnification and defense provided for in this Section shall be deemed to be an expense of the Trust which may be paid from operating funds.

(f) The indemnification and defense provided by this Section shall be secondary to any benefits which the person may be entitled to receive from any applicable insurance policy providing Directors and officers, Errors and Omissions or other applicable insurance coverages which have been procured by the Trust or for which the Trust paid the required premium. The indemnification provided by this Section shall be primary over any indemnification provided by a trustee at his or her own expense.

(i) Notwithstanding any other provision of this Section to the contrary, a person may seek, and the Trust may pay, advance indemnification prior to the rendering of a final determination of entitlement to indemnification pursuant to the provisions of subparagraph (d) of this Section. Any award of such advance indemnification by the Trust shall be discretionary and subject to the provisions of this Section.

(ii) In each instance where a question of advance indemnification hereunder arises, determination of the right to indemnification and of any conditions or restrictions attached thereto shall be made by a majority vote of a quorum of the Board of Trustees provided, however, that no member of the Board of Trustees seeking indemnification hereunder as a result of the same occurrence shall participate in the determination. In the event that a majority of the members of the Board of Trustees are seeking indemnification as a result of the same occurrence or the number of members of the Board of Trustees eligible to vote does not constitute a quorum, such determination shall be made by independent legal counsel retained by the Trust for the purpose of making the determination.

(iii) Any determination of advance indemnification shall be discretionary and may provide for the time, manner and amounts advanced hereunder and shall include such limitations as may be deemed appropriate in the particular circumstances on rate of payment, the total amount to be advanced and the security, if required, for repayment of such advances.

(iv) Any advance authorized hereunder shall be repaid to the Trust if the person on whose behalf the advance was made is not entitled to indemnification of his costs and expenses under the provisions and in accordance with the standards for indemnification provided in this Section.

- (z) To require assessments from each Participant in an amount equal to the ratio of that Participant's annual premium to the total annual premium contributed by all Participants in the year in which a deficit occurred. Such payment shall not exceed two (2) times the Participant's annual premium for

No Participant shall be required to pay any assessments in a single Trust year greater than two times the annual premium paid by that Participant for the Trust year in which the assessment is to be made.

After the withdrawal or expulsion of a Participant, that Participant shall remain liable for any assessments for any periods during which that Participant was provided coverage under the Trust Coverage Document.

The total amount appropriated for the RSF is determined by the Executive Committee.
