

**TOWNSHIP OF WORCESTER
MONTGOMERY COUNTY, PENNSYLVANIA**

RESOLUTION 2016-07

**A RESOLUTION TO AUTHORIZE REIMBURSEMENT OF PRIOR
EXPENDITURES FOR THE CONSTRUCTION OF THE HICKORY HILL
SEWER PROJECT FROM THE PROCEEDS OF BONDS TO BE ISSUED**

WHEREAS, Worcester Township ("Township") has undertaken the construction of an extension of its sanitary sewer system, known as the Hickory Hill Sewer Project ("Project"); and,

WHEREAS, the Township intends to finance some or all of the costs of the Project by the issuance of its bonds, notes or other obligations ("Bonds") and intends to use a portion of the proceeds of the Bonds to reimburse itself for original expenditures made for the Project prior to the date of issuance of the Bonds; and,

WHEREAS, no portion of the Project to be financed with proceeds of the Bonds has yet been placed in service; and,

WHEREAS, this Resolution is intended to constitute a statement of "Official Intent" pursuant to United States Treasury Regulations §1.150 2, T.D. 8476 ("Treasury Regulations").

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the Township that:

1. In accordance with the Treasury Regulations, the Township hereby states its intention that a portion of the proceeds of the Bonds will be used to reimburse itself for expenditures paid for costs of the Project prior to the date of issuance of the Bonds. All capitalized terms used herein and not otherwise defined have the meanings given to them in the Treasury Regulations. All original expenditures to be reimbursed will be capital expenditures (as defined in the Treasury Regulations) and other amounts permitted to be reimbursed pursuant to the Treasury Regulations. The Township intends to reimburse the original expenditures through the Township's incurrence of debt to be evidenced by the Bonds. The estimated maximum principal amount of the Bonds to be issued to reimburse the costs of the Project paid prior to their issuance and to complete the Project is \$1,250,000, including the costs of issuance of the Bonds.
2. Once the Bonds are issued, the Township shall allocate Bond proceeds to reimburse a prior expenditure by making the allocation on its books and records maintained with respect to the Bonds; provided that such costs to be reimbursed were paid not more than sixty days prior to the date hereof, except to the extent that such costs constitute preliminary costs within the meaning of the Treasury Regulations, or as otherwise permitted by Treasury Regulations. Such allocation shall specifically identify the actual original expenditure to be reimbursed.

Such allocation shall occur not later than 18 months after the later of (i) the date on which the original expenditure is paid, or (ii) the date the Project is placed in service or abandoned, but in no event more than three years after the original expenditure is paid.

3. The Bond proceeds used to reimburse the Township for original expenditures will not be used within one year after the allocation in a manner that results in the creation of replacement proceeds (as defined in the Treasury Regulations) for the Bonds or for other bonds.
4. The Township will not use the proceeds of the Bonds to reimburse, refinance or refund an original expenditure paid by another obligation (either tax exempt or taxable).
5. This Resolution shall be effective immediately.
6. All resolutions heretofore adopted to the extent the same are inconsistent herewith are hereby repealed.

RESOLVED THIS 20TH DAY OF JANUARY, 2016.

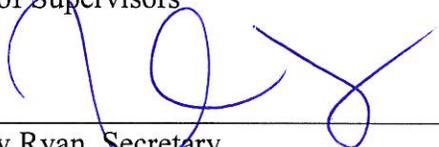

FOR WORCESTER TOWNSHIP

By:

Susan G. Caughlan, Chair
Board of Supervisors

Attest:

Tommy Ryan, Secretary
