

Worcester Township is updating its Comprehensive Plan... and we need your help!

The Comprehensive Plan is our community's most important planning guide. When completed the Comprehensive Plan will help the Township to better manage growth, to decide where to build new parks and trails, to prioritize road improvements, and much, much more!

And because we want our Comprehensive Plan to reflect the things that matter most to our residents, we want to know what you think matters most!

Please take a moment to answer the enclosed 10-question survey. It will take only a few minutes to complete, but the information you provide will help to shape Worcester Township's direction for many years to come.

This is a confidential survey, so don't hesitate to share your honest opinions!

Please return the survey by Friday, June 26. Survey results will be posted to our website, worcestertwp.com, shortly thereafter.

**Thank you for helping to keep Worcester Township
a wonderful place to live and work!**

PS – If the survey doesn't include a topic you think should be addressed in the Comprehensive Plan, please let us know! Include this on an additional piece of paper, or e-mail us at CPU@worcestertwp.com.
