

## Save On Summer Park Tickets

Summer's here. And if you're planning a day trip or two to area amusement parks and other attractions, Worcester Township can save you a dollar or two.

Discounted admission tickets are now on sale at the Township Building. Dorney Park, Hersheypark, Dutch Wonderland, the Philadelphia Zoo and more.

Check out [worcestertwp.com](http://worcestertwp.com) for ticket pricing and additional information. Questions? Call us at (610) 584-1410.

## Turn Around, Don't Drown

Some motorists approach road-closed signs and think, "I don't see anything dangerous, so I'll keep driving down the road." It's a decision that can cost lots of money, and lives.

### Did you know...

- six inches of water will knock the strongest person off their feet;
- six inches of water can cause a car to lose traction; and,
- twelve inches of water will float most cars.

In Pennsylvania drivers who are caught disregarding road-closed signs are assessed two points on their driver's license and a fine up to \$250. This fine increases to \$500 if the vehicle gets stuck and requires emergency rescue services.

So before driving around a road-closed sign, think twice about the risks. It's just not worth it!

## DURING COVID-19

**S**unday, March 8, 11:18am... the moment Township officials first learned a Worcester resident had tested positive for coronavirus. And since this time we've been working hard to protect our community.

### Here's an overview of some of Worcester Township's efforts to date...

- The Township has continued to deliver all life-essential services without interruption. This includes the operation of our sanitary sewer system, management of our storm sewer system, and maintenance of our roads and bridges. Our Public Works Department has likewise maintained all Township parks and trails, to accommodate those who need a place to exercise and unwind.
- The Township Building has maintained regular office hours, because not all Township business can be conducted by e-mail or telephone. For five weeks the Township Manager was the only employee stationed at the Township Building, with other staff working

remotely. Staff returned to the office in early May to reconfigured workstations that maximize distancing between employees.

- The Township's Emergency Management Coordinator and two Deputy Emergency Management Coordinators (all volunteers) continuously monitored developments that could affect Township operations, and prepared daily reports on these important issues.
- The Township posted daily updates to its website. Even on Saturday and Sunday.
- The Township extended the discount period for real estate tax payments, and the Township extended the payment date for sanitary sewer fees.

Worcester Township will continue these efforts until our world returns to normal. We thank our residents and business owners for their patience and understanding as we work through these challenging times together. 🙏

## DISINFECTANT WIPES ARE NOT FLUSHABLE!

**E**veryone is taking extra care to keep their homes as clean as possible. Many folks are using disinfectant wipes to clean tables, countertops and other surfaces throughout the home. But please remember that wipes of any kind can't be flushed into the sanitary sewer system. This includes the so-called "flushable" wipes! Disinfectant wipes can easily clog sewer pipes. And when this happens the wastewater often has only one way to flow ... back into your home!

In addition, if your property is served by a grinder pump, these wipes will (not may!) damage the grinder pump. Eventually, the pump will fail, leaving the property owner with a big repair bill!

Please toss used wipes into the trash can ... and use a plastic bag to contain used wipes for extra security. 🗑️

All varieties of wipes will clog sewer lines and damage grinder pumps!

## WORCESTER COMMUNITY DAY

Get Ready for Family Fun!

It's time to start thinking about Worcester Community Day 2020! This year's event will be held on Saturday, Sept. 26 (rain date Sept. 27) from 11am to 3pm at Heebner Park.

Our community's biggest annual event will feature giant inflatables and a rock wall, a terrific petting zoo, a magician, face painting, food trucks, and vendors from all your favorite Worcester businesses! And most activities are free!

The Worcester Volunteer Fire Department will also hold demonstrations throughout the day. Real firefighters and real fire trucks... it doesn't get any cooler than that!

Artisans and vendors can now sign-up for the second-annual Community Day Craft Fair. If you're ready to showcase your talents, and sell some crafts, download a Craft Fair vendor form at [worcestertwp.com](http://worcestertwp.com).

And don't forget... sponsorships and volunteer opportunities are still available. If you'd like to lend a hand please contact Steven Heintz, Recreation Coordinator at (610) 584-1410, or by e-mail at [sheintz@worcestertwp.com](mailto:sheintz@worcestertwp.com).

## Ambulance Service Areas

Worcester Township is served by four ambulance companies, with each ambulance company covering a specific area of the Township. Coverage area boundaries are based on the distance to the nearest ambulance station.

Municipal governments are responsible to establish ambulance coverage areas. These areas must be reviewed on a regular basis to account for new development, new ambulance stations, and the relocation of ambulance stations. This year the Board of Supervisors reviewed and revised Worcester Township's coverage areas to ensure residents and businesses are served by the closest available ambulance. Coverage area maps are posted to [worcestertwp.com](http://worcestertwp.com)... from our home page click "Living Here", then "Public Safety."

And remember... many of the men and women who serve as paramedics and EMTs are volunteers. Please consider purchasing an annual membership in the ambulance company that serves your family. Your support of these brave emergency responders is greatly appreciated!

## Mulch IT!

Haven't mulched the flower beds yet? We can help. The Township chips tree branches, and makes the mulch available to Township residents at no cost. Mulch is a great and natural way to beautify your landscaping and prevent the growth of weeds.

The mulch is available at the compost bins that are located behind the Township Building, 1721 Valley Forge Road. Folks must self-load the mulch... so bring a shovel and someone who owes you a favor.

## Paper Recycling Bin

A paper recycling bin has  
been located at the Worcester  
Township Public Works

Department, 1721 Valley Forge Road, near the  
brush and mulch bins. It's a convenient way  
to dispose of office paper, books, magazines,  
catalogs, junk mail and catalogs. Sorry...  
cardboard, cereal boxes and all non-paper  
materials are not accepted.

## Recycling Ideas

### "1,000 years"

Individual plastic water bottles  
can take up to 1,000 years to  
fully decompose in a landfill.  
Consider purchasing a water  
cooler that uses multi-gallon bottles of water.  
These larger bottles are reused, and the  
per-gallon cost of the water is significantly  
lower than the per-gallon cost of the water  
purchased in single-serve bottles.

# 2020 ROAD IMPROVEMENT PROGRAM

This year Worcester Township will  
continue implementation of its annual  
road improvement program. This  
program is designed to maximize the useful  
life of infrastructure through an aggressive  
maintenance plan and appropriately-scheduled  
capital improvements. The program allows the  
Township to maintain approximately 60 miles  
of roads in good condition.

The maintenance plan includes pothole repair,  
street sweeping, roadside brush trimming,  
roadside swale maintenance and patch milling.  
The capital plan includes the replacement  
of culverts and storm water pipes and the  
resurfacing and reconstruction of roads. On  
average, the Township resurfaces and/or  
reconstructs between three and five miles of  
roadways each year.

### This summer the following roads will be resurfaced:

- Artmar Road;
- Berks Road, between Skippack Pike  
and Morris Road;
- Credley Road;
- Ernest Lane;
- Ethel Avenue; and,
- Old Orchard Road.

At the time this newsletter went to print  
the Township was considering resurfacing  
that portion of Morris Road between  
Valley Forge Road and Sunny Ayre Drive.  
Please visit [worcestertwp.com](http://worcestertwp.com) for an  
update on this work.

The work is scheduled to get underway in  
June, and will conclude by mid-August,  
weather permitting.

Motorists using the above-noted  
roads may experience delays during  
construction. We thank folks for their  
understanding and patience as we work to  
improve our community's roadways. 🚗

## WORCESTER CUB PACK 200

Ryan Buggel, Preston Iadamarco, and James  
Verna. The western-themed event included  
a formal ceremony, catered BBQ dinner,  
mechanical bull, bounce house, and a lasso  
contest!

In response to COVID-19 the scouts worked  
hard to complete many requirements  
at home. And the Zacharias Trail and  
Evansburg State Park have been popular  
places to complete hiking, outdoor, fishing  
and nature activities needed for belt loops  
and rank advancement.

Over 75 people attended this year's  
Blue and Gold Banquet, which  
celebrates Cub Scouts who have  
successfully completed all the requirements  
needed to become Boy Scouts. Led by Den  
Leader Dan Abbey, five scouts graduated to

## HOW MUCH CANDY IN THE FISHBOWL?

There is a fish bowl in the lobby of the Worcester Township Building. And in this fish bowl there is candy... lollipops to be exact. And lots of them.

person please. The winner will be announced in our next newsletter.

And congratulations to Chelsea Allen whose guess of 356 came closest to the actual number of butterscotch candies in the fishbowl (440) in our last contest. Chelsea,

don't forget to share!

The candy is kindly contributed by the employees of Worcester Township, who are not eligible to submit a guess (sorry folks!).

How many lollipops are in the fish bowl is your guess, and if your guess is the closest without going over the actual number you'll win the candy, and sweet bragging rights.

Submit your guess at the Township Building, before 4:00pm on July 30. One guess per

## HOME COOKIN' AT MEADOWOOD

by Meadowood Senior Living resident and amateur chef Lucia Borzillo

I found the sticky bun recipe in the newspaper many years ago when my sons were little boys. We all enjoyed them for brunch with friends and family on Sunday mornings. Today, they still are a favorite with our three grandsons and their families.

Our 2 1/2 year-old great-grand twins are learning to love them too. So, sticky buns are still going strong in the Borzillo family!!

## RETRIEVR TO THE RESCUE

# retrievr

The good folks at retrievr offer convenient curbside collection of used clothing and a wide variety of electronics... including those "old-fashioned" television sets that most recycling centers don't accept!

retrievr collects clothing at no cost, and charges a modest fee for the collection of certain electronics.

And scheduling a pick-up couldn't be easier. Simply...

- text PICKUP to 757-70-FETCH, or
- visit retrievr.com and click the "schedule" button.

Visit retrievr.com for the complete list of accepted items, fees, and additional program information.

Thank you for your efforts to reuse and recycle, and to reduce the amount of waste dumped in landfills.

## Ask Mary Ann

When the telephone rings at the Township Building, and the resident on the line asks a question, Receptionist extraordinaire Mary Ann always has the answer. Here's one of questions that Mary Ann often fields, and her answer...

**RESIDENT:** "How many miles of trails are in Heebner Park?"

**MARY ANN:** "Heebner Park includes five trail routes that total 2.25 miles. A map that shows each trail route and all trail distances is posted to the Township website. Visit worcestertwp.com, search 'Heebner Park Map', then click 'Parks and Trails.'"

## Free Little Library Book Review

**The Lightning Thief by**

**Rick Riordan**

**Reviewed by Terry Smith**

(age 11)

**The Story...** Percy Jackson

and his friends must go on a quest to find Zeus's stolen master lightning bolt. The quest takes many twists and turns, and Percy learns a lot about himself.

**My Favorite Part...** My favorite part was when Percy learns about his powers. He has some good ones!

**My Recommendation...** I give this book five stars because it's really cool to see what happens and it has a great ending. It's a great book for kids who like mythology.

Thank you, Terry, for an amazing book review!

Would you like to review a book from our Little Free Library collection? Simply visit the library at the Township Building, 1721 Valley Forge Road, pick a book (it's free), and ask a parent to contact Recreation Coordinator Steven Heintz at (610) 584-1410, or by email at sheintz@worcestertwp.com.

## Volunteer Firefighters Hours Logged

Through the first three months of 2020, the men and women of the Worcester Volunteer Fire Department logged 1,228 hours conducting drills and responding to calls for help. If these folks were paid firefighters, the estimated cost to Worcester taxpayers for the same number of service hours would total about \$131,400.

And if the Township were to employ a full-time paid fire department this cost would top \$2 million per year, or about \$180 for each person now living in Worcester!

Our volunteer firefighters may not be paid, but maintaining a dependable volunteer fire department isn't free. The Worcester Volunteer Fire Department is always looking for persons who can help protect our community. But if you don't have the time to volunteer please consider making a tax-deductible contribution to those who are willing to put themselves in harm's way to keep our families safe.

Send your contribution to:  
Worcester Volunteer Fire Department  
1725 Valley Forge Road, Post Office Box 1  
Worcester, PA 19490

## Hazardous Household Waste Collection

Looking for a safe and responsible way to discard used motor oil, an old bottle of weed killer, or those oatmeal raisin cookies your seven-year-old daughter tried to bake? Montgomery County hosts several hazardous household waste collection events throughout the region, and the events are free for all Montgomery County residents (business and industrial wastes are not accepted).

For complete program information – including a detailed list of acceptable materials – visit [worcestertwp.com](http://worcestertwp.com), [montcoparecycles.org](http://montcoparecycles.org), e-mail [recycling@montcopa.org](mailto:recycling@montcopa.org), or call the Montgomery County recycling line at (610) 278-3618.

## SPOOF CALL WARNING

Some Montgomery County residents have recently received telephone calls from folks claiming to solicit donations for the community's volunteer fire company. These "spoof" requests are not real. The callers hijack the local fire company's telephone number, so the call appears to come from the fire company. Don't be fooled ... these people are not affiliated with volunteer fire companies!

The Worcester Volunteer Fire Department never solicits donations by telephone, either directly or through a third-party. Fire Department donation requests are always sent by US mail, on official Fire Department letterhead, and in an official Fire Department envelope.

If you receive a spoof solicitation call please contact the Worcester Volunteer Fire Department at (610) 584-5159. 📞

## WATERSHED PROTECTION TIP Don't Mow to the Stream-Side

Riparian buffers are the vegetated areas alongside streams. These trees, bushes and grasses are an important part of the ecosystem... vital to the health of fish and other aquatic life.

Riparian buffers help to prevent erosion during floods, which reduces the amount of sediment and other pollutants discharged into the waterway. So if a stream meanders through your property, please limit mowing near the water's edge, and allow trees and bushes to grow in this area.

This Watershed Protection Tip is part of Worcester Township's ongoing efforts to provide public education on stormwater management and to protect our environment. 🌿

## Worcester Scenes

Look familiar? The first person to identify this location in Worcester Township will receive a neat prize, and a shout-out in our very next newsletter. Send your best guess to Mary Ann at [mmurray@worcestertwp.com](mailto:mmurray@worcestertwp.com).

And congratulations to George Simonetes, who was the first to correctly identify Heyser Field at Community Hall in our last newsletter.
