OFFICIAL ACTION ITEMS

1. Consent agenda

Supervisor Betz motioned to approve a consent agenda that includes the following items:

- i. Treasurer's Report and other Monthly Reports for July 2023;
- ii. bill payment for July 2023 totaling \$267,681.86; and

2. Ordinance 2023-295

- An ordinance authorizing the Board of School Directors of the Methacton School District to assume the hiring and oversight of school crossing guards for the public schools within the township.

Meetings to be held at Worcester Township Community Hall, 1031 Valley Forge Road.

Township Solicitor Wendy McKenna summarized the ordinance, which empowers the School District with the authority to hire crossing guards, normally empowered to Townships by the second-class Township Code.

Supervisor Betz motioned to approve ordinance 2023-295, authorizing Methacton School District to assume the hiring and oversight of school crossing guards for the public schools within the Township.

There was no public comment. Supervisor Quigley asked Mr. Betz if he felt the solution was adequate, given his work on the project. Mr. Betz replied that the sooner this was passed and completed, the better. Mr. Quigley asked Mr. Halbom how many additional spots would be provided. He replied approximately 50 parking spaces were available at the Church lot.

Supervisor Quigley seconded the motion. There was no public comment. The motion passed unanimously.

3. Waiver

- A motion to approve a Waiver of Land Development to allow for BMP conversion at Terra Landscaping

John Evarts, P.E., Township Engineer summarized the project for Terra Landscaping on Germantown Pike which proposes a new fence, paving expansion, and the conversion of a rain garden to a stormwater facility that will allow for the reuse of rainwater. John asked for clarification concerning the use of the expanded paved area and how rainwater would enter the stormwater feature.

Anthony Hibbling, design engineer, presented on behalf of the applicant. He explained the applicant uses water at a high rate, and this redesign allows for the roof collection system and stormwater on site to capture and reuse stormwater for landscaping. He explained that this system prioritizes reuse of water as opposed to capturing it and releasing it like the current basin is designed to do. Mr. Hibbling called attention to the plans to show where the water would enter the stormwater tank, and the approved paved areas, storage areas, and parking areas.

Chair DeLello asked Mr. Hibbling if he felt this was an improvement and if it incorporated Best Management Practices related to stormwater management. Mr. Hibbling replied in the affirmative.

Supervisor Quigley asked what the capacity of the tank was, and what happens when it fills. Mr. Hibbling replied the tank will have greater capacity than the basin. Mr. Evarts replied the new volume will be 30,870 cu/feet, which is comparable to the rain garden's volume. He added the system is designed so overflow would leave the site the same way it does currently with the basin. He asked Mr. Hibbling if the project would comply with all notes added by the Township Engineer in his letter. Mr. Hibbling replied in the affirmative. Supervisor Quigley asked the applicant if they have completed all obligations with Lower Providence Township. The applicant replied there were no concerns from Lower Providence Township.

Mr. Evarts proposed two additional administrative comments: First, the waiver of land development plan to be recorded with the County, and second, the Township inspect the BMP conversion. The applicant agreed to the additional conditions.

Supervisor Betz complemented the applicant for the ingenuity of the project. He offered concern about stormwater overflow, but expressed support given the engineers' comments related to the design and

Meetings to be held at Worcester Township Community Hall, 1031 Valley Forge Road.

conformity with best practices. He noted the tanks were below ground, so they were unlikely to freeze, but asked the applicant to confirm that had been considered. The applicant confirmed cold weather has been accounted for in the design.

Supervisor Betz motioned to approve a Waiver for Land Development, with the added conditions discussed by the Township Engineer, in the case of Terra Landscaping. Supervisor Quigley seconded the motion. There was no public comment. The motion passe unanimously.

4. Motions

- A motion to accept the Valley Forge Road Corridor Deed of Dedication of Street Right-of-Way signed by MB Investments re: 1224 Valley Forge Road.

5. Motion

- A motion to accept the Valley Forge Road Corridor Deed of Dedication of Street Right-of-Way signed by Michael S. & Rebecca Current re: 1251 Valley Forge Road

6. Motion

- A motion to authorize execution by the Township of the Valley Forge Road Corridor Temporary Construction and Access Easement and to accept the Deed of Dedication of Street Right-of-Way signed by John P. McAnally re: 2972 Township Line Road.

Solicitor Wendy McKenna summarized the three motions related to the Valley Forge Corridor Improvement Project. Supervisor Betz motioned to accept the Deeds of Dedication and Temporary Construction Access Easements, for the above mentioned properties.

Supervisor Betz motioned to approve the motions to accept Deeds of Dedication and Temporary Construction Access Easements, as articulated by Solicitor Wendy McKenna.

Supervisor Quigley asked to explain the purpose of this project for those watching the recording. Mr. DeLello offered the project began by noting the road needed enhancements for safety and traffic flow. A grant was received to design the improvements and the Township has been working with their traffic engineer to better manage modern storms and traffic. Small portions of property frontage are required, so the Township has been in contact with property owners over the past year to communicate these needs and work with them to acquire the property for the enhancements, while looking out for residents interests along the way. Mr. Betz added the road is a PennDOT road, so staff are also working to coordinate the project with the state.

Supervisor Quigley seconded the motion. There was no public comment. The motion passed unanimously.

7. Motion

- A motion to enter into settlement for tax assessment appeals for the following addresses:
Kyung C Lee – 2106 Berks Rd

Solicitor Wendy McKenna summarized the motion. Mr. DeLello shared that the Township follows the School Districts lead with assessment appeals since we receive such a small portion of the tax revenue. In this case, the assessment was reduced by \$11.90 for the Township's share.

Supervisor Betz motioned to approve the settlement agreement; Supervisor Quigley seconded the motion. There was no public comment. The motion passed unanimously.

RESOLUTION 2023-17

A RESOLUTION TO APPROVE THE TOWAMENCIN ACT 527 SPECIAL STUDY

WHERE AS, Section 5 of the act of January 24 1966, P.L. 1535, No. 537 known as *the Pennsylvania Sewage Facilities Act*, as amended, and the Rules and Regulations of the Department of Environmental Protection (PADEP) adopted thereunder, Chapter 71 of Title 25 of the Pennsylvania Code, requires the Municipality to adopt an Official Sewage Facilities Plan (Facilities Plan), providing for sewage services adequate to prevent contamination of water and/or environmental health hazards with sewage waste, and to revise said plan whenever it is necessary to meet the sewage disposal needs of the municipality; and

WHERE AS, Towamencin Township has prepared an "*Act 537 Special Study Acquisition of Towamencin Township / Towamencin Municipal Authority Sewage Facilities by Pennsylvania-American Water Company (PAWC)*" Dated April 2023, last revised June 2023, which provides for the acquisition of the Towamencin Township sewage facilities by PAWC: and

WHERE AS, portions of Worcester Township are served by the Towamencin Township sewage facilities, and

Topics covered include previous wastewater planning, description and graphical mapping of the existing assets being transferred in relation to municipal boundaries and physical characteristics, future growth and how that will be addressed, evaluation of alternatives, institutional evaluation and a description of the legal and administrative activities to support the implementation of the asset transfer and future ongoing operation and maintenance of the transferred assets, and

NOW, THEREFORE, BE IT RESOLVED, that the Worcester Township has

found the Act537 Special Study adequate for the wastewater disposal and management needs of the municipality and hereby adopts the Plan, as a revision of the "Official Plan" of the Municipality. The Municipality hereby assures the Department of the proper and timely implementation of the said plan as set forth herein.

MONTGOMERY COUNTY COURT OF COMMON PLEAS

Tax Assessment Appeal

SETTLEMENT STIPULATION

Parties

1. Appellant is Methacton Area School District (“District”).
2. Appellee is the Montgomery County Board of Assessment Appeals (“Board”).
3. Intervenor is the property owner, White Tail Farm, LLC (“Property Owner”).
4. Montgomery County (“County”) or Worcester Township (“Township”) have not yet intervened.

Property

5. The property, which consists of approximately 54.34 acres, is located at 1543 North Trooper Road, within the Township, and further identified as Tax Parcel No. 67-00-00661-00-1 (“Property”).
6. The Property is improved with a 720 square-foot bungalow-style single-family dwelling that was constructed in 1900.

Since approximately January 1, 1987, the Property has been Act 319 Preferentially Assessed. The Property’s current preferential assessment is \$93,050—\$38,760 is attributed to assessed land value and \$54,290 is attributed to assessed building value.

7. On February 17, 2022, the Property sold for \$2,425,000. Applying the 2022 CLR to the sale price would indicate a standard assessment of \$1,083,975 (“Sale”).

Appeal

8. In 2022, the District filed an Assessment Appeal (“Appeal”) with the Board challenging the Property’s \$376,840 standard assessment for the 2023 Tax Year (effective January 1, 2023).
9. At the Hearing, with certain informal discovery still outstanding, the District stipulated to a “No Change” Determination keeping the Property’s standard assessment at \$376,840.
10. On November 7, 2022, the District appealed to this Court from the Board’s stipulated “No Change” Determination seeking an increase of the Property’s standard assessment consistent with the Sale.

Settlement Terms

11. Based upon the risks and costs of litigation, the parties have decided it is in their best interests to settle this Appeal based upon the terms and conditions set forth in this Stipulation.
12. Accordingly, the parties, intending to be legally bound, and to bind their respective clients, agree to the following settlement terms:

2023 Standard Assessment: Effective January 1, 2023, for the County and Township Tax Years and July 1, 2023 for the District Tax Year, the Property’s standard assessment shall be increased from \$376,840 to \$745,895. This will be an increase in assessment of \$369,055. Applying

the County's 2023 Common Level Ratio (.396), this standard assessment results in a 2023 Indicated Market Value of \$1,883,573.23. The entirety of the assessment increase will be applied to the standard land value with the resulting breakdown being: standard land value \$691,605 and standard building value remaining at \$54,290. The Property's preferential assessment shall remain at \$93,050.

2024 Assessment: Effective January 1, 2024, for the County and Township Tax Years and July 1, 2023 for the District Tax Year, the Property's standard assessment shall be increased from \$376,840 to \$745,895. This will be an increase in assessment of \$369,055. Applying the County's 2023 Common Level Ratio (.355), this standard assessment results in a 2023 Indicated Market Value of \$2,101,113. The entirety of the assessment increase will be applied to the standard land value with the resulting breakdown being: standard land value \$691,605 and standard building value remaining at \$54,290. The Property's preferential assessment shall remain at \$93,050.

13. The Property's standard assessment shall remain at \$745,895 for each subsequent tax year after 2024 until a change as otherwise permitted by Pennsylvania law has been made. The Property's preferential assessment shall remain \$93,050 until a change as otherwise permitted by Pennsylvania law has been made and tax bills will be issued according to the preferential assessment.
14. Based upon the increased standard and unchanged preferential assessments established by this Stipulation, all counsel agree that no additional taxes are owed to the respective Taxing Authorities by way of this Stipulation.
15. This Stipulation contains the statement of each, and every term and provision agreed to by all parties. No other promises, representations or other inducements, oral or written, have been made to any of the other parties in exchange for this Stipulation.
16. The attorneys entering into this Stipulation represent that they and their clients have full authority to enter into this Stipulation.
17. This Stipulation may be executed in one or more counterparts and by facsimile or electronic mail, each of which shall be deemed an original and all of which when taken together shall constitute a single agreement.
18. Each party shall bear its own costs as incurred.
19. This Stipulation shall be binding upon, and inures to the benefit of the undersigned, their clients, successors, grantees, heirs and assigns.

20. This matter shall be marked as "Settled, Discontinued and Ended", upon the approval of this Stipulation.
