

## **WORCESTER TOWNSHIP BOARD OF SUPERVISORS WORKSHOP MEETING MINUTES**

**June 18, 2025 – 6:30 PM**

Chair Rick DeLello called the meeting to order at 6:30 p.m. Present were Vice Chair Lou Betz, Supervisor Steve Quigley, Solicitor Wendy McKenna, Township Engineer John Evarts, Assistant Township Manager Christian Jones, and staff member Dustin Schreiber. Township Manager Dan DeMeno was absent due to attendance at a professional conference.

### **Pledge of Allegiance**

The meeting opened with the Pledge of Allegiance.

### **Public Comment**

There were no comments from the public.

### **Presentation – 2024 Township Audit**

Anastacia Devlin, CPA with B. Bergdahl and Company, presented the 2024 audit findings.

Key highlights included:

- **Revenue Breakdown:** 64% of total governmental fund revenues came from taxes. This varied in prior years due to differences in grant income, such as Montgomery County funds and remaining federal sound barrier funds in 2023.
- **General Fund Performance:** Revenues exceeded expenditures, increasing fund balance.
- **Sewer Fund:** 2023 appeared anomalous due to the one-time expenditure of ARPA funds on sewer system upgrades.
- **Tax Sources:** Earned Income Tax was the Township's primary source of tax revenue. Real estate transfer tax fluctuated year to year. Property tax revenue remained flat.
- **Capital and Highway Funds:** The Capital Fund saw growth due to transfers from the General Fund. The Highway Fund remained steady, receiving only state liquid fuels funds.
- **Capital Additions:** Major investments included the purchase of land and improvements to Township infrastructure.
- **Audit Opinion:** The Township received a clean audit opinion (unmodified). No internal control deficiencies or management letter comments were issued. Two new GASB standards were adopted with no material impact.

### **Board Discussion:**

- Mr. DeLello emphasized the distinction between an audit and forensic accounting, asking Ms. Devlin to explain the limits of audit assurance.
- Ms. Devlin explained that audits provide “reasonable assurance,” using sampling, data analytics, and risk-based testing—rather than reviewing every transaction.
- The Board inquired about internal control practices and whether the Township’s increased staffing had strengthened financial oversight. Ms. Devlin affirmed that duties were better separated now than in the past and complimented staff responsiveness.

### **Resident Questions:**

Bob Andorn asked for clarification on the audit’s preparation, timing, and document availability:

- He noted discrepancies between the dates of documents posted on the Township’s website and those distributed in the meeting packet.
- Ms. Devlin explained the audit timing, confirming that substantive work typically begins after the books are closed, with some fieldwork and testing starting in December.
- She confirmed that external confirmations (e.g., with Berkheimer, state grantors) are conducted to verify revenues.

Chair DeLello stated that further questions could be routed through the Township office for a follow-up.

### **Adjournment**

The workshop adjourned at 7:23 p.m.

## **BUSINESS MEETING MINUTES**

**June 18, 2025 – 7:30 PM**

Chair Rick DeLello called the meeting to order. In attendance were Vice Chair Lou Betz, Supervisor Steve Quigley, Solicitor Wendy McKenna, Township Engineer John Evarts, Assistant Manager Christian Jones, and staff member Dustin Schreiber. Manager Dan DeMeno was absent.

### **Pledge of Allegiance**

The meeting began with the Pledge of Allegiance.

### **Public Comment**

No public comment was offered.

### **Consent Agenda**

Motion by Betz, seconded by Quigley, to approve:

- Minutes from May 21, 2025 Business Meeting
  - Treasurer's Report for May 2025
  - Departmental reports for May 2025
  - Bill payment dated May 12, 2025 in the amount of \$314,883.00
- Motion passed unanimously.

### **New Business**

#### **1. Motion to Advertise – Accessory Structures Zoning Ordinance Amendment**

A motion was made by Quigley, seconded by Betz, to authorize advertisement of a proposed amendment clarifying regulations for accessory structures. Motion passed unanimously.

#### **2. Motion to Advertise – Childcare Zoning Ordinance Amendment**

A motion was made by Betz, seconded by Quigley, to authorize advertisement of an ordinance permitting childcare centers in certain commercial districts. Betz expressed caution about allowing this use broadly but supported advertising. Motion passed unanimously.

#### **3. 2025 Road Program Bid Award**

Engineer Evarts reported that five bids were received. Heidelberg Materials Northeast LLC was the lowest responsible bidder at \$1,029,395.60, including a base bid for Sunnybrook Estates and an alternate for Creekside Dr, Pondview Dr, and

Spring Creek Rd.

Motion by Betz, seconded by Quigley. Public Works will oversee on-site inspections.

Christian Jones confirmed the budget included \$1.377 million.

Motion passed unanimously.

**4. Resolution 2025-13 – Westrum Preliminary Land Development Plan**

Attorney Rob Gundlach presented a 45-townhome project on Trooper and Germantown Pike. The development:

- Is consistent with the multi-residential overlay zoning created via the curative amendment
- Will include private roads and an HOA-managed stormwater system and amenities
- Is intended to be age-targeted, low-maintenance housing

Supervisors expressed concern about potential resident complaints, parking overflow, HOA enforcement, and long-term maintenance.

Betz opposed the approval, asserting the property was not originally zoned for this use and expressing concern about precedent.

Motion by DeLello, seconded by Quigley. Motion passed 2-1 (Betz opposed).

**5. Resolution 2025-14 – Windy Hill Preliminary/Final Land Development Plan**

Engineer Nick Fiore presented a two-lot subdivision of Lot 9 of the residual Hugarir subdivision. The lots will use individual wells and septic systems.

The lots are 1.7 and 3.7 acres and will access from Windy Hill Rd.

Motion by Quigley, seconded by Betz. Motion passed unanimously.

**6. Resolution 2025-15 – DEP Planning Module Authorization (Windy Hill)**

Motion by Betz, seconded by Quigley, to authorize submission of Component 2 planning modules to DEP for on-lot septic approval.

Motion passed unanimously.

**Public Comment**

None.

**Adjournment**

There being no further business, the meeting adjourned.

**NORTH PENN WATER AUTHORITY  
MINUTES OF THE BOARD OF DIRECTORS' MEETING  
May 27, 2025**

George E. Witmayer, Chair, called the meeting to order at 7:00 pm. The following Board members attended the meeting: Kenneth V. Farrall, Richard C. Mast, Arthur C. Bustard, Franco D'Angelo, Robert C. McCarney, William K. Dingman, Michael R. Filiatrault and Jeffrey H. Simcox. Amy Cummings-Leight was absent. Also present were Anthony J. Bellitto, P.E., Executive Director, Keith L. Hass, P.E., Deputy Executive Director, Ami Tarburton, Director of Finance and Human Resources, Daniel P. Pearce, Director of Information Technology, Daniel C. Preston, P.E., Director of Asset Management and Strategic Initiatives, Jonathan C. Hartzell, Director of Operations and Field Services, and Paul G. Mullin, Esquire, Hamburg, Rubin, Mullin, Maxwell & Lupin, Solicitor.

The following items, by agenda number, were discussed:

1. **MINUTES** – Upon the motion of Mr. Farrall, seconded by Mr. Dingman, the Board approved unanimously the Minutes of the April 22, 2025, Board of Directors meeting as presented.
2. **BIDS** – There was no Bid activity this month.
3. **PUBLIC COMMENTS** – There were no members of the public in attendance at the meeting.
4. **FINANCIALS:**
  - 4.1. The **Statement of Income and Expense** for the period ending April 30, 2025, was highlighted by Ms. Tarburton and discussed. Ms. Tarburton noted that year-to-date Metered Sales were up 6%, compared to 2024. Total Revenues are up 9% year-to-date, compared to 2024 due to increased tapping and service connection fees related to developer activity. Operating expenses were 34% of the budget, with 33% of time elapsed. Income after debt service is 39% of the budget. Debt Service Coverage is at 1.77, which is above the 1.10 required by the Trust Indenture. Total Debt Service Coverage is at 2.77. The Statement of Net Position is up 5% year to year. Capital expenditures are trending upward to 23% of budget and metered sales charts are at or exceeding the 3-year average except for BCWSA sales, which is related to the re-allocation of Forest Park rate and not to gallons sold. The Human Resources and Payroll report was also reviewed and discussed. Following discussion, upon the motion of Mr. Farrall, seconded by Mr. Bustard, the Board voted unanimously to accept the financial reports and file for future audit.
  - 4.2. Check Registers for the period April 15, 2025, to May 14, 2025, were distributed and discussed. Upon the motion of Mr. Farrall, seconded by Mr. McCarney, the Board ratified unanimously the payments listed.

5. **OPERATIONS, METER/CUSTOMER SERVICE, AND STATISTICS REPORT** – The Report for the month of April 2025 was presented, highlighted by Mr. Hartzell, and discussed.
6. **ENGINEERING AND WATER QUALITY REPORT** – The Report for the month of April 2025 was presented, highlighted by Mr. Preston, and discussed.
7. **INFORMATION TECHNOLOGY REPORT** – The Report for the month of April 2025 was presented, highlighted by Mr. Pearce, and discussed.
8. **ADMINISTRATION AND PUBLIC RELATIONS REPORT** – The Report for the month of April 2025 was presented, highlighted by Mr. Bellitto, and discussed. It was noted that there were a surprisingly high number of views on our Facebook page.
9. **FOREST PARK WATER** – Mr. Dingman, Chair of the Forest Park Water Operating Committee, reported that the committee had not met. Prior to the Board meeting, Mr. Bellitto noted that he provided additional information via email to the Board on the Forest Park expansion project and that progress was made related to our DRBC and DEP permit applications.
10. **MAIN EXTENSIONS:**
  - 10.1. M.E. 1423 – Walnut Street Subdivision  
B2 West Sandy, LLC, Fortuna Drive, Hatfield Township  
Upon the motion of Mr. McCarney, seconded by Mr. Farrall, the Board authorized unanimously Final Approval for 8 EDUs, and further, the execution of the Main Extension Agreement.
  - 10.2 M.E. 1458 – Peter Becker Community  
Peter Becker Community, Schoolhouse and Kulp Roads, Franconia Township  
Upon the motion of Mr. Witmayer, seconded by Mr. Dingman, the Board authorized unanimously the execution of Resolution No. 25-05-27 for Deed of Dedication of Public Utility Line and further, the Board authorized the execution of the Deed of Dedication.
  - 10.3 M.E. 1532 – Heritage Crown Realty  
116 Railroad Street, LLC, 341 W. Butler Ave., New Britain Borough  
Upon the motion of Mr. Filiatrault, seconded by Mr. Farrall, the Board authorized unanimously the execution of Deed of Easement related to the offsite main extension.
11. **ITEMS FOR DISCUSSION:**
  - 11.1 Consulting Engineer Financial Services -- Mr. Hass highlighted the memo included in the Board Packet related to the need for Consulting Engineer services. David Busch informed the Authority that he has terminated his relationship with BCM Engineers ATC Group Services, LLC. The Authority Trust Indenture

requires a Consulting Engineer with a Professional Engineer's (PE) license to review and approve the BRIF requests monthly. Mr. Busch, who is not a PE, cannot perform this as a standalone service. The Authority is reviewing options and is considering hiring SC Engineers to replace BCM Engineers ATC Group Services, LLC as our consulting engineer who would retain David Busch to continue providing this service. The Board did not have an issue with this course of action, so staff will proceed with obtaining a proposal and report back to the full Board for future authorization as needed.

- 11.2. Amendment to Standby Capacity Agreement with Telford Borough Authority (TBA) – Mr. Preston highlighted the memo included with the Board packet. We have been working with TBA to establish an addendum to the Standby Capacity Agreement that outlines the terms and conditions related to the sale of water. The current need is initiated by the Ridge Road Transmission Main Project and the potential for interim sales related to the TBA PFAS removal project. The Authority reached an agreement with TBA and we are seeking authorization to fully execute the agreement. Upon the motion of Mr. Dingman, seconded by Mr. Filiatrault, and after discussion, the Board authorized unanimously the execution of the Agreement.

## 12. **COMMITTEE REPORTS:**

- 12.1. Engineering Committee – Mr. Farrall, Chair of the Engineering Committee, reported that the committee had not met since the last Board meeting.
- 12.2. Executive Committee – Mr. Simcox, Chair of the Executive Committee, reported that the committee had not met.
- 12.3. Finance Committee – On behalf of Ms. Cummings-Leight, Chair of the Finance Committee, Mr. Bellitto reported that the committee has not met since the last Board meeting. The minutes of the last committee meeting were presented for Board approval. Upon the motion of Mr. Dingman, seconded by Mr. Filiatrault, the Board voted unanimously to approve the minutes of the April 22, 2025, Finance Committee meeting, as presented.

13. **CORRESPONDENCE** - Various items of correspondence and newspaper articles contained in the Authority meeting booklet were reviewed. Mr. Bellitto noted the article on page 6 regarding an EPA press release on modifications to the pending PFAS Rule.

**May 2025**

## **Non-Routine Maintenance / Events:**

### **Valley Green**

5/02/25 - Found the return for Train 3 was inoperative. Tried to burp return but could not clear the clog. Removed the expansion plug and manually cleared the clog. Train 3 return is back online. Hosed down aeration tank walls and broke up some of the foam.

5/03/25 - Call out to fix the Waste valve

5/05/25 - Found Blower 2, the Main blower for Trains 1&2, sounding as if it were about to detonate. Along with the noise it was making, it was also smoking and leaking oil. Blower 1 was in the process of getting back online, but still needed some work done to be serviceable. Immediately started working on Blower 1 and shortly after, John Scully was onsite and assisted with the blower. Blower 1 is back online and after adjusting the isolation valves, was now the main process blower for Trains 1&2. Started working on getting the Post-Aeration Blower back online as well to relieve some of the demand from the Main Blower. At that time, it was setup that the Main Blower was responsible for all processes in Trains 1&2. The Post-Aeration blower, when online, controls the returns, clarifier skimmers, effluent EQ tank aeration, etc. The blower needs the rubber coupling between the blower and exhaust sound deadener. Part of why the old rubber coupling failed was that the two pipes in which the coupler connects were so offline from one another that a thinner walled coupling was used so it could flex and make the connection. Disassembled the piping from blower to the isolation valve, cleaned & resealed each connection, and reassembled the piping extending it in the process. The two pipes are now aligned and will install the new coupling as soon as it arrives.

### **Pump Stations**

5/20/25 – Center Square PS – Found generator had a low coolant fault and was “forced to quit” and would not run because of it. Found the block heater electronics melted the housing of the heater and caused a coolant leak. Will get parts to bypass the block heater and get the generator running until a new block heater is installed.

5/21/25 - Center Square Pump Station- Went to AutoZone and purchased bypass elbows and a couple of gallons of coolant. At the pump station, removed the 2 heater hoses from the failed block heater and installed the bypass elbows. Filled the radiator with coolant and cleared the low coolant fault. Ran the generator in HAND until it reached operating temperature and verified there were no coolant leaks.

5/31/25 – Adair PS – Called out for high level due to rain. Both pumps were running.

NOTES:

1 - Floor area. Floor Area is measured from outside wall to outside wall.

2 - New Residential SF Calculation. For new residential construction and additions to existing residential units, square footage shall include living spaces on all floors, basements, attached garages & attics over six feet in

3 - Total Cost Calculation. The total cost of all the construction portions of a project is generally based upon the sum of the construction contract(s) and other direct construction costs; this does not include the compensation paid to the engineer, architect and consultants or the cost of the land. The Township has the final

determination in accepting the submitted cost of construction as provided on the permit application and may

4 - Township Organization Status. For an organization to qualify as a Township-based organization, at least

65% of participants must reside in Worcester Township. Documentation that verifies participant residency must be furnished to the Township, and the Township has sole discretion in determining if the residency has

5 - Past Due Invoices. Invoices that are past due by more than thirty (30) days are subject to interest rate

charges as provided by law. Charges for services that involve a late fee as stated in this resolution are not

6 - Omissions and Errors. The failure to list, in this Resolution, a fee that is properly listed elsewhere shall not

obviate the responsibility to pay that fee.

7 - "by escrow agreement". Permits for miscellaneous construction and highway/road inspections will be paid

with funds posted in escrow. From this escrow the Township will deduct actual costs incurred.

8 - False fire alarm fines may be reduced or waived by the Fire Marshal if the Fire Marshal determines, in his or

her sole discretion, the tenant or property owner is making a good faith effort to address and correct the
